

MUD Reform Campaign Update, 22 November, 2024 – PLEASE SHARE

One Week To Go – Get Active

Thanks to all of those who have already taken part in our three easy campaign actions. If you haven't already done so – given that there's only one week to go in the campaign – please do one or all of the following:

- Click on this link <https://www.mudreform.ie/act/> and send an email to all of the candidates in your constituency calling on them to address reform of the OMC sector and to complete the work on tackling defects remediation;
- Click on this link https://www.mudreform.ie/assets/files/pdf/campaign_poster.pdf to download and then print off a poster which you can place in your window and erect in an appropriate place in your common areas and concierge space for your neighbours to see on these issues;
- Click on this link https://www.mudreform.ie/assets/files/pdf/questions_for_candidates_and_cavvassers.pdf and print off a list of questions that you can ask candidates or canvassers when you meet them in your area over the coming days and weeks.

You can also help the campaign by sharing this email with your friends, neighbours and relatives — the more people who take part the better.

Party Positions on Defects

Last night over 100 people attended the online Election Forum jointly hosted by the Construction Defects Alliance and the MUD Act Reform Group where representative of six of our political parties – nine parties were invited – set out their stalls on what they would do – if in Government – on defects remediation and reform of the law in relation to owners' management companies (OMCs).

We really appreciate the effort made by the following to appear as panellists at a very busy time for election candidates:

- Eoin Ó Broin (Sinn Féin);
- Marie Sherlock (Labour);
- Mary Fitzpatrick (Fianna Fáil);

- Mary Seery-Kearney (Fine Gael);
- Patrick Costello (Greens);
- Paul Murphy (People Before Profit).

The final party manifesto will be dropping today so we will issue our analysis of the party's positions early next week so you can be informed on what they have to say ahead in plenty of time for polling day.

Ends.
